

HW 12**Due:** 16 October 2007**Prof. Caldwell****COSC 3015**

Exercise 0.1. Read chapter 9 and 10.

Exercise 0.2. Do exercises 9.3, 9.5, 9.7, 9.10 and 9.11. I interpret 9.10 as meaning that you rewrite the lambda term $\lambda x. (x + 1) / 2$ in terms of sections *and* composition.
