

**HW 17**  
**Due:** 3 November 2011

**Prof. Caldwell**  
**COSC 3015**

**Exercise 0.1.** Read chapter 9 of Real World Haskell (RWH). It is available free online.

`http://book.realworldhaskell.org/read/io-case-study-a-library-for-searching-the-filesystem.html`

You should try evaluating some of the code. I have linked it from the course web-page.
