HW 17   **Prof. Caldwell**
Due: 3 November 2011   **COSC 3015**

Exercise 0.1. Read chapter 9 of Real World Haskell (RWH). It is available free online.

`http://book.realworldhaskell.org/read/io-case-study-a-library-for-searching-the-filesystem.html`

You should exercise the code and send some output of your experiments as your homework. I have made links to the code from chapter 9 of RWH on the couse web-page.
